

“HKU Mentorship – Graduates in Beijing” Pilot Programme 2021 - 2022

Plan to unleash your career potential in Beijing? Join the Inaugural “HKU Mentorship – Graduates in Beijing”.

What is “HKU Mentorship – Graduates in Beijing”?

A new addition to the HKU Mentorship Programme, designed exclusively for HKU graduates in Beijing to build inspirational exchanges and mutually enriching friendships with Mentors. It is co-organised by the **Development & Alumni Affairs Office (DAAO)** and the **HKU Beijing Alumni Network**.

Who are the Mentors?

Mentors are HKU alumni with 10+ years working experience in Beijing and are passionate about supporting the next generation of graduates with their valuable experience, insights and networks.

What are the benefits?

Through this one-year programme, Mentees will be matched with a Mentor who will become a coach and friend, supporter and critic... Mentors will help Mentees develop their professional networks, better adapt to the local culture, explore opportunities and support them in reaching their career goals.

Matching will be based on Mentees’ aspirations and Mentors’ experience.

How to engage?

Mentors and Mentees will stay in touch throughout the year via emails, phone calls, messages and virtual meetings, and meet in-person at least 4 times a year. They can arrange meetings, workplace visits, family or business gatherings, outdoor or cultural activities according to their own schedules and interests, and join events organised by the HKU Beijing Alumni Network together.
